

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE
Supplemental Declaration For Utility Patent Application

Application Number: 10/764,208

Filed: 01/23/2004

Att'y Doc # 0277-03C

Primary Inventor: Baron, Joseph

Title: GAUGE AND METHOD FOR INDICATING A LEVEL OF A LIQUID IN A TANK

As a below-named inventor, I hereby declare that my residence, post office address, and citizenship are as stated below next to my name. I believe that I am the original, first, and joint inventor of the above-described patent application the subject matter which is claimed and for which a patent is sought on the invention.

I have reviewed and understand the contents of the above-identified specification, including the claims, as amended by any amendment specifically referred to in this declaration. Specifically, I have reviewed and understand Figs. 5 and 6, enclosed herewith. I acknowledge a duty to disclose information which is material to patentability as defined in 37 CFR 1.56.

I hereby declare that all statements made herein are of my own knowledge and are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18, United States Code, Section 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.
